Welcome to the 2018-2019 School Year!

The Student Parent Handbook is a document that provides the Adelante community with the information about different aspects of the school.

You will find the school schedule, a list and contact information of the staff, along with expectations for us all.

You will also find our mission statement and our educational philosophy, along with Cesar Chavez' core values - these are documents that guide our purpose as a place of academic, intellectual and social preparation. As a parent or guardian, it is important that you are aware of the policies and procedures.

If you have questions about the school, you are encouraged to refer to this handbook or check the school website. As this handbook is for families and students, it is a great idea to review the handbook with your student, as they will find answers to some of their questions.

EDUCATIONAL OVERVIEW

Mission and Philosophy

Our Mission
The mission of Adelante Charter School is to develop bi-literate, multi-cultural students whose strong academic and cultural foundations prepare them to meaningfully participate and provide leadership in their families, their community and their world to create a more just and equitable society.

Philosophy

The ACS community believes that the best setting for educating linguistic minority pupils - and one of the best for educating any pupil - is a school in which two languages are used without apology and where becoming proficient in both is considered a significant intellectual and cultural achievement. (C. Glenn, 1990).

The core values of Cesar Chavez
Acceptance of all people, Celebrating Community, Respect for Life and the Environment, Non-Violence, A Preference to Help the Most Needy, Knowledge, Sacrifice, Service to Others & Determination.

Background
Adelante Charter School of Santa Barbara, previously known as César Chávez Charter School, is a two-way immersion elementary school spanning grades K-6 with a small school feel. ACS is dedicated to becoming a school of excellence and is striving towards being honored as a California Distinguished School.

Benefits of Two-Way Immersion Programs
This proven educational model integrates native English speaking students with native Spanish speaking students beginning in kindergarten. Together, they learn a second language while learning academic content. Each student adds another language at no cost to their first language. Students who participate in these programs demonstrate higher levels of language proficiency, achievement and self-concept.

In kindergarten and 1st grades, 90% of instructional time is in Spanish with an emphasis on Spanish literacy. As students progress through the grades, English language instruction increases. By 5th grade, instructional time is evenly divided between Spanish and English. The 90/10 model is very effective because English Learners, (language minority students) best acquire a second language when their first language is firmly established. English Proficient (or language majority) students' second language is best developed through immersion in that targeted language. Immersing English proficient students in the target (Spanish) language will promote higher levels of second language proficiency, while immersing English
Learners in their native language will produce not only higher levels of proficiency in their native language, but also higher levels of English proficiency and academic success overtime.

**Achievement Tests**

Students in third through sixth grade take the Smarter Balanced assessments for English Language Arts and Mathematics in the spring. The tests are designed to measure students' progress in reading, language, and mathematics. As ACS is a two-way immersion school, an equivalent of this exam, the Logramos test is given to measure progress in Spanish. Logramos is given in grades 1st-6th. You will receive the results for both tests in September.

As part of the California assessment program, students in the fifth grade are tested in science.

**Physical Fitness Test**

The fifth graders take a State Physical Fitness Test in the spring, the FITNESSGRAM®. The primary goal of the FITNESSGRAM® is to assist students in establishing lifetime habits of regular physical activity.
Adelante Charter School is fortunate to have a committed and very involved community of parents and teachers. This sense of community is evident through a number of defining events throughout the year including:

- **All-School Clean-Up Day**: This is a day where the whole school comes together on a Saturday to beautify the Adelante campus. The is generally held on a Saturday, September 15th.

- **Back-To-School Night**: This is a night where you will meet with your child’s teacher to discuss classroom expectations, homework policies, etc. (August 30th)

- **Día de los Muertos Fundraiser**: This is our biggest fundraising event. This event is held on the first Sunday of November. There are student presentations, great food and games.

- **Parent, Student, Teacher Conferences**: Conferences happen 3 times a year. This is when you meet with your child’s teacher to discuss their progress and achievements.

- **Downtown Santa Barbara Holiday Parade**: Adelante participates annually in the Downtown Santa Barbara Holiday Parade.

- **Santa Barbara Dance Institute dance classes and Spring performance under the direction of Lauren Macioce (3rd-6th grade)**: Students who participate in the SBDI program throughout the school year participate in a showcase at the end of the school year. This performance is held on a Sunday afternoon.

- **Día de las Madres Celebration**: This is an event where we fundraise for the school as we celebrate mother’s all around. This event is usually held on a Friday evening.

- **Jog-A-Thon**: The Jog-A-Thon is a fundraiser where families, friends and neighbors pledge money to support the students as they jog or walk in the Jog-A-Thon, which takes place during your child’s regular school day.

- **Kinder and 6th Grade Promotion Ceremonies**: Kinder and 6th grade students participate in a graduation ceremony to acknowledge their achievements and recognize them as they move on to the next grade and start their next educational journey.
PROCEDURES & INFORMATION

Daily Schedule

School starts at 8:00am for all Adelante students. Kindergarten dismissal is at 2:00pm and 1st-6th grade dismissal is at 3:00pm. Every Thursday is early release and all students are dismissed at 1:00pm.

Attendance

As Adelante is a charter school, regular school attendance is a requirement. Our success as a charter school is dependent upon strong student attendance. We recognize the positive impact that regular school attendance has on student achievement. As parents/guardians you play a key role in helping your child be successful. It is important to understand that students with excessive absences and or tardies will be asked to leave Adelante and enroll in another school. Adelante will be enforcing attendance because of previous high tardies and absenteeism which impacts the yearly budget.

Absence Policy

When a student is absent, please call the school office (not the classroom teacher) on the morning of the absence. Parents may leave a message on the Attendance Clerk’s voicemail (966-7392 ext. 1116). Parents have 72 hours to verify an absence before it's marked as an unexcused absence.

If a student is absent only part of the day, he/she must report to the office for a stamp. A student who is late due to a dental/medical appointment will need to provide the school office with documentation verifying appointment.

Tardy Policy

All students must be on time for school. Students arriving late often miss important beginning-of-the-day information that is relevant to their education. Arriving on-time is aligned with our Tribes agreement of mutual respect as we expect our students to respect their school, their teachers and their learning. Students who are not in the classroom at 8:00 a.m. will be considered tardy. Tardy students must report to the office for a tardy stamp. All tardies are recorded and are reported on progress reports and on the final report card. Students that arrive after 8:30am with no excuse are considered to be “Truant”. A habitually truant student jeopardizes their spot at Adelante.
Student Sign Out

ACS is a closed campus and students are not allowed to leave campus during school hours for any reason unless accompanied by an adult and properly signed-out. Parents picking up their child from school early must first go to the office, sign the student out in the Sign Out log and state the reason for the early release. After obtaining a checkout slip the parent may go to the child’s classroom to gather their belongings and leave campus. In the event that a student is leaving school habitually early, teachers inform the Principal who schedules a meeting with parents. Please schedule doctor appointments after school hours or during vacations.

Student Health

All staff is trained in First Aid and CPR, and there is a School Health Assistant at ACS. Children not well enough to participate in the classroom will be sent home. This is not only in the best interest of the child, but serves as protection for the other children as well.

**Please note: All Adelante Charter School staff are mandated reporters. A mandated reporter is someone who is required by law to report reasonable suspicious abuse.**

In order to decrease exposure to illness and to promote a healthier classroom environment, please keep your child at home if he or she:

- Has a temperature of 100ºF or more. Your child should remain at home in bed for the day and should be FEVER FREE FOR 24 HOURS before returning to school.
- Has been diagnosed with a strep infection. Your child should be on antibiotics for 24 hours before returning the school.
- Has a sore throat, especially with fever or swollen glands in the neck.
- Has vomited during the night and into the morning. If a child vomits at school, they will be sent home.
- Has a persistent cough, chest congestion, or discolored nasal discharge.
- Has persistent diarrhea during the night and into the morning.
- Has a red eye with thick purulent drainage or discharge that has crusted over during sleep. Your child may return to school after the eye is clear, or 24 hours after starting medical treatment, or with written permission from the doctor.
- Has a body rash that you cannot identify, or that is accompanied by a fever.
- Has live head lice. Treat with lice removal products before returning to school. The child must be checked by the health assistant when returning to school. Please call the Health Assistant if you have any questions.
**Medication at School**

If your child needs to take any medication (prescription or non-prescription) at school, please observe the following procedures:

1. If a child must take medication at school, a Medication Consent form (available in the office or on the Santa Barbara Unified School District website) must be completed by the physician and the parent.

2. Bring the medication in the **original container** to the office with your signed permission and specific instructions for administration.

3. All medication must be kept in the school office and administered by school personnel. Children may not carry **any** medication on their person unless noted by doctor on the medication form. This also includes "over the counter" nonprescription medications such as aspirin, vitamins, cough drops, nose drops, etc.

4. Please see the Health Assistant for the consent form if your child needs to keep emergency medication "with them" (i.e., asthma inhaler)

*These rules apply to **ALL** medication for all students.

**Immunizations**

State of California Law requires certain immunizations before a child may attend school. The Health Assistant will notify you if your child's immunizations are incomplete.

**Emergency Card**

The school **must** have a current emergency card on file for each student. Please notify the Health Assistant of any changes in address, home, work and emergency telephone numbers or any change in medical issues or support required. In the event of an emergency or illness at school, it is essential that we are able to reach you quickly.
DISASTER INSTRUCTIONS FOR PARENTS

The following instructions have been adopted by the Santa Barbara Unified School District to ensure the most effective response following a major earthquake. The rules have been designed to provide for the health, physical safety, and protection of ACS students in accordance with the legal requirements of the school district.

1. If a major earthquake occurs and damage is extensive, we ask that parents or others for whom you have assumed responsibility to park their cars away from campus and walk to school grounds to pick up their students. We must keep the access driveways and streets open for emergency vehicles only.

2. At the school, a security team will direct you to the appropriate check out area.

3. Do not call the school and tie up phone lines.

4. Your child will be held at the school until signed out. If the school buildings are not considered safe, children will be held on the large field area.

5. Children will be released only to parents or those persons you as a parent/guardian have authorized. Be prepared to present identification.

6. Children will be held up to 72 hours and then we will relocate them to a pre-designated local emergency shelter.

7. Arrange with your neighbors for alternate safe homes to which your child should go if you are not home. Tell your children about this plan and to whose home they should go.

8. Be sure to list at least 3 people on the school’s emergency cards that would be willing to assume the responsibility of guardianship in your absence. Be sure that these individuals acknowledge they will be responsible for your children until you get home.

9. At the end of the day, a complete school roster will be posted outside the school office indicating (a) who picked up your child and (b) to what emergency shelter your child was released.

It is essential that students be taken home as soon as possible. Parents are urged to cooperate fully with the ACS emergency response teams (faculty and support personnel) and keep the parking lot areas and access streets open for emergency vehicles and equipment.

### Adelante Mission Statement

The mission of Adelante Charter School is to develop bi-literate, multi-cultural students whose strong academic and cultural foundations prepare them to meaningfully participate and provide leadership in their families, their community and their world to create a more just and equitable society.
Family Engagement

Here at Adelante, we believe in family and in community. Volunteerism is part of our school's culture, as ACS recognizes the vital role that parents play as partners in their child's educational experience. Research clearly demonstrates that family engagement is the single factor, outside the school itself, that most profoundly influences a child's academic success.

Our goal is for every family to share 5 hours of their time per month. Any member of your family, whether it be an uncle or aunt, grandparent, or older sibling, can participate as a volunteer.

Volunteer time for your children while at Adelante can take many forms. It might mean sharing a family tradition with your child's class, sewing a costume, reaching out to the larger community, or offering a service such as hair cutting or gardening. Perhaps it means making phone calls, running errands, teaching kids about your work, or making crafts at home.

Your child's teacher would like to know how you may best share your time, talents, knowledge, or experience.

Some Ways to Share your Time with Adelante

• Attend parent-teacher conferences
• Attend school meetings (school site council, ACS Board Meetings, Padres Adelante, PTSO)
• Be a lead parent/classroom parent
• Accompany students on fieldtrips
• Supervise students during breakfast, lunch and recesses
• Volunteer time in the classroom or prepare materials at home
• Volunteer in the office
• Be part of a fundraising team
• Attend parent workshops/trainings
• Forge valuable relationship with outside community members and/or organizations
• Offer services such as sewing, gardening, or food preparation for events
• Make phone calls
• Run errands
• If you are bilingual, acting as a translation “buddy” to a monolingual parent

Recording Family Participation Hours

It is essential for our charter renewal that we document our families' participation hours. Most important is that every family contribute in some way to the collective effort, so we so we may demonstrate universal participation. For this reason, your participation hours must be recorded.
The simplest way to record your hours is through ParentSquare.com.

If you need help with setting up a ParentSquare account or have questions, please contact Ivette Martinez.

Parent Teacher School Organization (PTSO)

The PTSO is the team that leads the school's fundraising events. The PTSO's regular meeting is held the 1st Wednesday of the month. The meetings begin at 6:00pm. Childcare is provided. Being a part of the PTSO is a great way to meet other parents and to be part of building a positive school community.

They show our belief in the importance of respecting our neighbors, respecting ourselves, resolving disputes peacefully, and respecting diversity. Teaching about these values and giving children opportunities to put them into practice in daily life give children the opportunity to build good character.

Therefore, at Adelante Charter School, we adhere to the following principles:

We are respectful of differences of all types. We choose our words and actions to help, not hurt others. We keep our school free of verbal and non-verbal put-downs with regard to:

- Academic progress

PROGRESSIVE DISCIPLINE SYSTEM
As the first responsibility of all staff is the safety of children, any staff person will immediately stop any un-safe behavior he or she sees and use the phrase: “Stop, that’s not OK at our school”. The students will be told how something should be done. Progressive discipline begins with clear expectations. We discuss these in
class and ask parents to make sure that children are familiar with school rules and behavior expectations. Staff will:

1) Stop the behavior, re-direct the student, and teach the appropriate behavior or skill.

2) If the behavior continues, while students are on the playground, they will lose their recess and stand at the fence. Refer to your child’s teacher for classroom consequences.

Behavior that hurts others, destroys property, creates an unsafe situation, or disrupts the learning environment for others or Education Code violations (violence, weapons, destruction of property, theft, etc.) could go directly to the principal for disciplinary action. Consequences, depending on the severity of the offense may include detention or suspension from school. The progressive steps may vary depending on the severity of the behavior and prior incidents of discipline for the student.

**SUSPENDABLE OFFENSES**

The discipline system helps students resolve most problems before they get to the point of meritsing suspension. However, there are some behaviors that the State Education Code 48900 deems to be grounds for suspension from the school (by the administrator) or from the classroom (by the teacher). Students who are suspended from school must leave with a parent or guardian and may not return to campus until the suspension is over. Assignments are sent home so that children continue their class work.

A full description of ACS’s policies and procedures (including rights to a hearing) regarding suspensions and expulsions are available in the ACS office upon request.

ADELANTE CHARTER SCHOOL OF SANTA BARBARA

PARENT COMPACT

School Responsibilities

Adelante Charter School will:

Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

1. Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the
individual child's achievement. The parent teacher conferences are held at the end of the 1st and 2nd trimester. Parents attend a student-led conference at the end of the school year.

2. Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports as follows: The school provides parent's copies of state assessment results and a copy of the annual LOGRAMOS results. Parents receive a progress report in October to inform the parent when a student is not achieving a grade level.

3. Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents as follows: Parents can communicate with all staff via email. Parents can communicate with teachers at anytime via Parent Square. Teachers are available 30 minutes before and after the school day. The school office is open during the school year from 7:30 to 4:30. The principal is available to meet with parents every Tuesday.

4. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities. Parent Participation is an expectation at Adelante Charter School and views family participation as an essential element to the success of the educational process. Families who contribute time to the school explicitly demonstrate to children that they value education. The expectation is 5 hours per month/50 hours per school year. The school Parent Coordinator supports parent participation by updating school announcements on the website, Parent Square, mailings and the posting of notices and information on the campus. Teachers communicate with parents and post participation opportunities on Parent Square. Each school year, parents sign a Parent Participation Agreement and are provided a list of options for completing the expected hours. The parent hours are logged and reported to the school community and the school's Board of Directors.

Parent Responsibilities

We, as parents, will support our children's learning in the following ways:

• Monitoring attendance.
• Making sure that homework is completed.
• Monitoring amount of television their children watch.
• Volunteering in my child's classroom.
• Participating, as appropriate, in decisions relating to my children's education.
• Promoting positive use of my child's extracurricular time.
• Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate.
• Attending school meetings
• Serving, to the extent possible, on school committees.
Student Responsibilities

We, as students, will share the responsibility to improve our academic achievement and achieve the State's high standards. Specifically, we will:

• Do my homework every day and ask for help when I need to.
• Read at least 30 minutes every day outside of school time.
• Give to my parents or the adult who is responsible for me all notices and information received by me from my school every day.
