Welcome to the 2023-2024 School Year!

The Student Parent Handbook is a document that provides the Adelante community with information about different aspects of the school.

You will find the school schedule, a list and contact information of the staff, along with expectations for us all.

You will also find our mission statement and our educational philosophy, along with Cesar Chavez' core values – these are documents that guide our purpose as a place of academic, intellectual and social preparation. As a parent or guardian, it is important that you are aware of the policies and procedures.

If you have questions about the school, you are encouraged to refer to this handbook or check the school website. As this handbook is for families and students, it is a great idea to review the handbook with your student, as they will find answers to some of their questions.

EDUCATIONAL OVERVIEW

Mission and Philosophy

Our Mission

The mission of Adelante Charter School is to develop bi-literate, multicultural students whose strong academic and cultural foundations prepare them to meaningfully participate and provide leadership in their families, their community and their world to create a more just and equitable society.

Philosophy

The ACS community believes that the best setting for educating linguistic minority pupils - and one of the best for educating any pupil - is a school in which two languages are used without apology and where becoming proficient in both is considered a significant intellectual and cultural achievement. (C. Glenn, 1990).

The core values of Cesar Chavez

Acceptance of all people, Celebrating Community, Respect for Life and the Environment, Non-Violence, A Preference to Help the Most Needy, Knowledge, Sacrifice, Service to Others & Determination.

TRIBES:

Teachers are all trained in the TRIBES Learning Community and use the program to create a positive social-emotional climate in the classroom and across the school campus. Four basic agreements form the basis of this program, including attentive listening, appreciation/no put downs, mutual respect, and the right to pass. Through a variety of both personal and academic contexts, students are guided to explore their relationships with each other and create a safe and healthy environment. Cooperation, goal-setting, and progress monitoring become group processes that ensure that everyone's voice is valued and honored. TRIBES is at the heart of our positive campus culture that celebrates all students and cultivates young citizens who value empathy, justice and leadership.

Background

Adelante Charter School of Santa Barbara, previously known as César Chávez Charter School, is a two-way immersion elementary school spanning grades K-6 with a small school feel. ACS is dedicated to becoming a school of excellence and is striving towards being honored as a California Distinguished School.

Benefits of Two-Way Immersion Programs

This proven educational model integrates native English speaking students with native Spanish speaking students beginning in kindergarten. Together, they learn a second language while learning academic content. Each student adds another language at no cost to their first language. Students who participate in these programs demonstrate higher levels of language proficiency, achievement and self-concept.

In kindergarten and 1st grades, 90% of instructional time is in Spanish with an emphasis on Spanish literacy. As students progress through the grades,

English language instruction increases. By 5th grade, instructional time is evenly divided between Spanish and English. The 90/10 model is very effective because English Learners (language minority students) best acquire a second language when their first language is firmly established. English Proficient (or language majority) students' second language is best developed through immersion in that targeted language. Immersing English proficient students in the target (Spanish) language will promote higher levels of

second language proficiency, while immersing English Learners in their native language will produce not only higher levels of proficiency in their native language, but also higher levels of English proficiency and academic success overtime.

Achievement Tests

At ACS, all of our students take the STAR 360 Assessments to measure their progress in Spanish and in Mathematics. Students in third through sixth grade take the Smarter Balanced assessments for English Language Arts and Mathematics in the spring. The tests are designed to measure students' progress in reading, language, and mathematics. As ACS is a two-way immersion school, an equivalent of this exam, the CSA (California Spanish Assessment) test is given to measure progress in Spanish. The CSA is given in grades 3rd-6th. You will receive the results for both tests in September.

As part of the California assessment program, students in the fifth grade are tested in science.

Physical Fitness Test

The fifth graders take a State Physical Fitness Test in the spring, the FITNESSGRAM®. The primary goal of the FITNESSGRAM® is to assist students in establishing lifetime habits of regular physical activity.

SCHOOL EVENTS AND TRADITIONS

Adelante Charter School is fortunate to have a committed and very involved community of parents and teachers. This sense of community is evident through a number of defining events throughout the year including:

- Back-To-School Night: This is a night where you will meet with your child's teacher to discuss classroom expectations, homework policies, etc. (August)
- All-School Clean-Up Day: This is a day where the whole school comes together on a Saturday to beautify the Adelante campus. This is generally held on a Saturday in April
- Día de los Muertos Fundraiser: This is our biggest fundraising event. This event is organized by PTSO and is held on the first Sunday of November. There are student presentations, great food and games.
- Parent, Student, Teacher Conferences: Conferences happen 3 times a year. This is when you meet with your child's teacher to discuss their progress and achievements.
- Milpas Holiday Parade: Adelante participates annually in the Milpas Holiday Parade.
- Adelante Winter Show: Under the direction of our music and dance teachers our students perform dances and sing songs to celebrate winter holidays.
- Adelante Charter Performing Arts Showcase: under the direction of our enrichment teachers students from 3-6 participate in our school musical towards the end of the school year.
- All School Dance Show: Our students work hard all year with our dance teacher to put on a dance show that showcases all of the hard work they have done all year.
- Art Show: Under the direction of our Art teacher, our students create wonderful art pieces that are displayed in our annual art show. The art pieces our students create are truly one of a kind masterpieces.
- Jog- A- Thon/Color Run: This is a fundraiser where families, friends and neighbors pledge money to support the students as they jog or walk in the Jog-A-Thon, which takes place during your child's regular school day.
- Kinder and 6th Grade Promotion Ceremonies: Kinder and 6th grade students participate in a graduation ceremony to acknowledge their achievements and recognize them as they move on to the next grade and start their next educational journey.

PROCEDURES & INFORMATION

Daily Schedule

School starts at 8:00am for all Adelante students. Kindergarten dismissal is at 2:00pm, 1st-3rd grade dismissal is at 2:50pm and 4th- 6th grade is at 3:00pm. Every Wednesday is early release and ALL students are dismissed at 1:00pm.

Attendance

As Adelante is a charter school, regular school attendance is a requirement. Our success as a charter school is dependent upon strong student attendance. We recognize the positive impact that regular school attendance has on student achievement. As parents/guardians you play a key role in helping your child be successful.

It is important to understand that students with excessive absences and or tardies will be asked to leave Adelante and enroll in another school. Adelante will be enforcing attendance because of previous high tardiness and absenteeism which impacts the yearly budget.

Absence Policy

When a student is absent, please call the school office (not the classroom teacher) on the morning of the absence. Parents may leave a message on the school voicemail (805)966-7392. Parents have 72 hours to verify an absence before it's marked as an unexcused absence.

If a student is absent for only part of the day, he/she must report to the office for a slip. A student who is late due to a dental/medical appointment will need to provide the school office with documentation verifying the appointment.

Tardy Policy

All students must be on time for school. Students arriving late often miss important beginning-of-the-day information that is relevant to their education. Arriving on-time is aligned with our TRIBES agreement of mutual respect as we expect our students to respect their school, their teachers and their learning. Students who are not in the classroom at 8:00 a.m. will be considered tardy. *Tardy students must report to the office for a tardy slip.* All tardies are recorded and are reported on progress reports and on the final report card. Students that arrive after 8:30am with no excuse are considered to be "Truant". A habitually truant student jeopardizes their spot at Adelante.

If a student has 10 or more tardies a month they lose the privilege of Free Dress Day Friday.

Student Sign Out

ACS is a closed campus and students are not allowed to leave campus during school hours for any reason unless accompanied by an adult and properly signed-out. Parents picking up their child from school early must first go to the office, sign the student out in the Sign out log and state the reason for the early release. After signing the student out the office staff will call for the student and they will be released to their parents. In the event that a student is leaving school habitually early, teachers inform the Principal who schedules a meeting with parents. Please schedule doctor appointments after school hours or during vacations.

Student Health

All staff are trained in First Aid and CPR, and there is a School Health Assistant at ACS. Children not well enough to participate in the classroom will be sent home. This is not only in the best interest of the child, but serves as protection for the other children as well.

****Please note: All Adelante Charter School staff are mandated reporters. A mandated reporter is someone who is required by law to report reasonable suspicious abuse.****

In order to decrease exposure to illness and to promote a healthier classroom environment, please keep your child at home if he or she:

- Has a temperature of 100°F or more. Your child should remain at home in bed for the day and should be FEVER FREE FOR 24 HOURS without the help of medication before returning to school.
- Has been diagnosed with a strep infection. Your child should be on antibiotics for 24 hours before returning to school.
- Has a sore throat, especially with fever or swollen glands in the neck.
- Has vomited during the night and into the morning. *If a child vomits at school, they will be sent home.*
- Has a persistent cough, chest congestion, or discolored nasal discharge.
- Has persistent diarrhea during the night and into the morning.
- Has a red eye with thick purulent drainage or discharge that has crusted over during sleep. Your child may return to school after the eye is clear, or 24 hours after starting medical treatment, or with written permission from the doctor.
- Has a body rash that you cannot identify, or that is accompanied by a fever.
- Has live head lice. Treat with lice removal products before returning to school. The child must be checked by the health assistant when returning to school. Please call the Health Assistant if you have any questions.
- Has tested positive for COVID-19, must be fever free for 24 hours and may return to school wearing a mask indoors through the end of day 10.

Medication at School

If your child needs to take any medication (prescription or non-prescription) at school, please observe the following procedures:

1. If a child must take medication at school, a Medication Consent form (available in the office or on the Santa Barbara Unified School District website) must be completed by the physician and the parent.
2. Bring the medication in the original container to the office with your signed permission and specific instructions for administration.
3. All medication must be kept in the school office and administered by school personnel. Children may not carry any medication on their person unless noted by the doctor on the medication form. This also includes “over the counter” nonprescription medications such as aspirin, vitamins, cough drops, nose drops, etc.
4. Please see the Health Assistant for the consent form if your child needs to keep emergency medication “with them” (i.e., asthma inhaler)

*These rules apply to ALL medication for all students.

Immunizations

State of California Law requires certain immunizations before a child may attend school. The Health Assistant will notify you if your child's immunizations are incomplete.

Emergency Card

The school must have a current emergency card on file for each student. Please notify the Health Assistant of any changes in address, home, work and emergency telephone numbers or any change in medical issues or support required. In the event of an emergency or illness at school, it is essential that we are able to reach you quickly.

DISASTER INSTRUCTIONS FOR PARENTS

The following instructions have been adopted by the Santa Barbara Unified School District to ensure the most effective response following a major earthquake. The rules have been designed to provide for the health, physical safety, and protection of ACS students in accordance with the legal requirements of the school district.

1. If a major earthquake occurs and damage is extensive, we ask that parents or others for whom you have assumed responsibility to park their cars away from campus and walk to school grounds to pick up their students. We must keep the access driveways and streets open for emergency vehicles only.
2. At the school, a security team will direct you to the appropriate check out area.
3. Do not call the school and tie up phone lines.
4. Your child will be held at the school until signed out. If the school buildings are not considered safe, children will be held on the large field area.
5. Children will be released only to parents or those persons you as a parent/guardian have authorized. Be prepared to present identification.
6. Children will be held for up to 72 hours and then we will relocate them to a pre-designated local emergency shelter.
7. Arrange with your neighbors for alternate safe homes to which your child should go if you are not home. Tell your children about this plan and to whose home they should go.
8. Be sure to list at least 3 people on the school's emergency cards that would be willing to assume the responsibility of guardianship in your absence. Be sure that these individuals acknowledge they will be responsible for your children until you get home.
9. At the end of the day, a complete school roster will be posted outside the school office indicating (a) who picked up your child and (b) to what emergency shelter your child was released to.

It is essential that students be taken home as soon as possible. Parents are urged to cooperate fully with the ACS emergency response teams (faculty and support personnel) and keep the parking lot areas and access streets open for emergency vehicles and equipment.

A copy of the Adelante Safety Plan can be found on our school website or in the school office.

Homework Policy

ACS recognizes that homework contributes toward building responsibility, self-discipline and life-long learning habits. Moreover, it is recognized that time spent on homework directly influences students' ability to meet the school's academic standards. At ACS, teachers provide homework that is meaningful for students, deepens student understanding and builds essential skills. For questions about homework, please contact your child's teacher.

Sexual Harassment

ACS is committed to maintaining an educational environment that is free from harassment and discrimination. Our school adheres to the Santa Barbara Unified School District policies on sexual harassment. Copies of the policy are available in the ACS office or on the SBUSD website for review.

Cell Phones, Electronic Devices, Toys (including Fidget Spinners, and stuffed animals)

Cell phones and all other electronic devices interfere with learning and are often stolen or misplaced. Students should leave these items at home if possible. We understand that most students have cell phones and bring them to school. All classroom teachers have a safe place for students to store their phones while in school. Phones must be put on vibrate or turned off. If students are caught using their cell phones, i-watches, or any other type of electronics without prior permission, they will be confiscated and parents will be required to pick them up. The same applies to any and all toys including stuffed animals, pokémon cards, fidgets etc.

Our cell phone and smartwatch policy is as follows:

- Cell phones will be turned off during the school day and remain in the student's classrooms in each teacher's designated safe spot.
- Smartwatches should be left at home. If a student is wearing one on campus, it must be turned off and placed in the designated safe spot in the classroom.
- The school is not responsible for lost, stolen or damaged devices.
- Phone calls, texting, and videotaping are strictly prohibited at any time during the school day.

WORKING TOGETHER

Adelante Mission Statement

The mission of Adelante Charter School is to develop bi-literate, multi-cultural students whose strong academic and cultural foundations prepare them to meaningfully participate and provide leadership in their families, their community and their world to create a more just and equitable society.

Family Engagement

Here at Adelante, we believe in family and in community. Volunteerism is part of our school's culture, as ACS recognizes the vital role that parents play as partners in their child's educational experience. Research clearly demonstrates that family engagement is the single factor, outside the school itself, that most profoundly influences a child's academic success.

Volunteer time for your children while at Adelante can take many forms. It might mean sharing a family tradition with your child's class, sewing a costume, reaching out to the larger community, or offering a service such as hair cutting or gardening. Perhaps it means making phone calls, running errands, teaching kids about your work, or making crafts at home.

Your child's teacher would like to know how you may best share your time, talents, knowledge, or experience.

Some Ways to Share your Time with Adelante

- Attend parent-teacher conferences
- Attend school meetings (school site council, ACS Board Meetings, EBAC, PTSO)
- Be a lead parent/classroom parent
- Accompany students on field trips
- Supervise students during breakfast, lunch and recesses
- Volunteer time in the classroom or prepare materials at home
- Volunteer in the office
- Be part of a fundraising team
- Attend parent workshops/trainings
- Forge valuable relationships with outside community members and/or organizations
- Offer services such as sewing, gardening, or food preparation for events
- Make phone calls
- Run errands
- If you are bilingual, acting as a translation "buddy" to a monolingual parent

Parent Teacher School Organization (PTSO)

The PTSO is the team that leads the school's fundraising events. The PTSO's regular meeting is held the 1st Wednesday of the month. The meetings begin at 6:30pm. Being a part of the PTSO is a great way to meet other parents and to be part of building a positive school community.

School Site Council (SSC)

This is an important group formed by certified teachers, classified staff, parents and principal. The main objective is to improve school services, especially for our English Learners. School site council is NOT a political group. The group is focused on ensuring services are being provided. We follow state mandated protocols and procedures. Adelante Charter School has fewer than 300 students, therefore in accordance to EC Section 65001[d][1]), we are required to have: one principal, one teacher (selected by the teachers), one school staff member (selected by the other school personnel) and three parents or community members selected by parents.

Emergent Bilingual Advisory Committee (EBAC)

Each California public school with 21 or more English Learners must form an English Learner Advisory Committee (ELAC). At Adelante EBAC the term "emergent bilingual" is intended as a positive description of these students, in that it emphasizes that they're learning in two languages, and that both the home language and new language are of value.

ADELANTE CHARTER SCHOOL FUNDRAISING POLICY

Guiding Principles

All revenue-producing activities at Adelante Charter School, including fundraising projects and afterschool sales, must support the school vision and educational philosophy, and be approved by the Executive Director. Any fundraising efforts organized by a teacher, staff member, or parent group should benefit the grade level as a whole or program they represent. The school encourages students, parents, and faculty to use discretion when organizing fundraising activities and charitable drives. Such fundraising activities should avoid direct competition with local merchants of the school.

General Fund-Raising Guidelines

Students shall not be assigned to or be held responsible for the collection of funds that are otherwise authorized in accordance with the school's rules and policies.

Participation in any and all fundraising activities should be strictly voluntary; no student or school employee shall be coerced into such activities.

Contributions on the part of students, school employees, parents, or other patrons should likewise be voluntary, without coercion, and without peer or group pressure. In no instance shall participation in, or support for, a fundraising project be used to determine a student's grade or his or her eligibility for participation in school-related programs or activities.

The school will provide a healthy environment for appropriate fundraising by promoting student safety, reducing the pressure placed on students, and decreasing the prospect of excessive or duplicative solicitation of funds.

School Fund-Raising Standards

A specific school project and grade level or program must be identified prior to raising funds.

Fundraising events will not be endorsed or sponsored by the school without the approval and consent of the director. Materials that advertise community fundraising activities may be placed in the school office or other locations (i.e. Parent Square messages) identified by the school director.

Prizes or other incentives intended to encourage increased sales must be approved by the director. Students shall not be involved in soliciting fundraisers or fundraising activities during school hours. The school may not impose sales quotas (or the like) as a part of fundraising efforts, and students shall not be required to pay for any unsold items returned to the school.

School fundraising activities will be accounted for using established school accounting systems and procedures. Records of fundraising efforts,

including accurate reporting on participation levels and financial outcomes, shall be open to parents, students, and donors.

All funds raised should be submitted to the school office to be reconciled and deposited.

For a school fundraiser, all money and order forms should be submitted to the office. For all after-school food sales, parents should collect and count money and submit it to the office to be reconciled and deposited into the whole grade level or program account.

Fundraising activities involving food sales shall follow Santa Barbara Unified School District BP 3554 Other Food Sales policy which states that "Food sales other than breakfast/lunch will only be allowed for fundraising if the director approves."

Agendas are published with the requisite Brown Act notice to the ACS community and can be found posted outside the school office, on the main gate, and on the ACS website. There are specific agenda items for public comments in which community members can address the board. If you would like to see an item or concern addressed in a meeting, please see

either the Director or a Board Member. All parents are encouraged to attend the ACS Board meetings. Interpretation is always available.

Restorative Proactive Practices

Creating a healthy school climate for students and adults is a priority. We know that safe and orderly educational environments are vital to effectively and efficiently deliver high-quality instruction. By implementing Restorative Proactive Practices, we are committed to addressing underlying issues and giving students time and space to reflect on their actions. We shift away from the traditional, punitive approach to wrongdoing and empower students to view misbehavior as an offense against their relationships.

Tier 1 - Classroom Practices

These are the things we do to create a solid community in the classroom with all members, including students and adults. Things like community circles, emotional work, meditation, and breathing. Teacher and student conversations are also considered.

Tier 2 - Thinkery/Office

This is where the student takes some time to reflect because the efforts in Tier 1 had no positive response. This can be done in the office, in another classroom, or in a designated space in the current classroom.

Formal Restorative Approach Meetings

This is a formal meeting request by a teacher and/or parents. An administrator, counselor or other adult support staff would facilitate it. Agreements are set in writing and traditional discipline is discussed if the agreements are not met.

Traditional Discipline

The restorative approaches have not had positive impacts and the agreements have not been met.

SUSPENDABLE OFFENSES

The discipline system helps students resolve most problems before they get to the point of meriting suspension. However, there are some behaviors that the State Education Code 48900 deems to be grounds for suspension from the school (by the administrator) or from the classroom (by the teacher). Students who are suspended from school must leave with a parent or guardian and may not return to campus until the suspension is over. Assignments are sent home so that children continue their class work.

A full description of ACS's policies and procedures (including rights to a hearing) regarding suspensions and expulsions are available in the ACS office upon request.

ii. A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging state academic standards. (20 U.S.C. § 6318[c][4][B])

Adelante Charter School uses a variety of academic assessments. These tools are shared and explained at our annual back to school night, as well as during parent-teacher conferences (2x a year and a third student-led conference in May). The curriculum in use at the school, as well as the achievement levels expected at each grade level are also shared during these times.

iii. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. (20 U.S.C. § 6318[c][4][C])

Parent requests for regular meetings to share suggestions and to participate, as appropriate, in decisions relating to the education of their children can come via communication with the classroom teachers and/or the director. Requests can be made (in the parent's primary language) via email, hand written requests, via phone, or verbally in person.

e) If the schoolwide program plan is not satisfactory to the parents of participating children, the school submits any parent comments on the plan when the school makes the plan available to the local educational agency (LEA). (20 U.S.C. § 6318[c][5])

Adelante Charter has no parent comments expressing that the school wide program is not satisfactory.

2.2 Building Capacity for Involvement

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and local educational agency assisted under Title I, Part A shall carry out the following requirements: (20 U.S.C. § 6318[e])

a) The school provides assistance to parents of children served by the school or LEA, as appropriate, in understanding such topics as the challenging state academic standards, state and local academic assessments, the requirements of Title I, Part A, and how to monitor a child's progress and work with educators to improve the achievement of their children. (20 U.S.C. § 6318[e][1])

Parent workshops held throughout the year to help parents understand assessment results and the rigorous standards their children are engaged with as well as ways to support their child at home.

(20 U.S.C. § 6318[f])

2.4 School-Parent Compact

As a component of the school-level parent and family engagement policy, each school served under this part shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards. The school-parent compact shall carry out the following requirements: (20 U.S.C. § 6318[d])

a) Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under Title I, Part A to meet the challenging state academic standards, and the ways in which each parent will be responsible for supporting their children's learning; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time. (20 U.S.C. § 6318[d][1])

Adelante Charter School will provide high-quality, rigorous, engaging curriculum and instruction in a supportive and effective learning environment that enables children to meet challenging state academic standards by:

- Establishing a schedule for learning, providing opportunities for acceleration and intervention -enrichment and support.
- Conducting ongoing professional development,
- Using high-quality instructional materials, and
- Hiring highly qualified teachers.

Family engagement is a core practice at Adelante. The Family Engagement Framework, a California Department of Education publication, acknowledges that "family engagement is one of the single most important

factors in helping students succeed in school. Parents, families, and other caring adults provide the primary educational environment for children early in life and can reinforce classroom learning throughout the school years." Adelante families work in close partnership to support the academic achievement of all students. Feedback from families is facilitated and welcomed with particular attention given to the feedback received from families of our most vulnerable student groups. Changes to policy occur based on this feedback. Every effort is made to accommodate families' linguistic or other access needs so they can engage as informed participants. The majority of Adelante's families are Spanish-speaking and we provide interpretation at all events and all communication from the school is provided in Spanish and English. All classroom teachers are bilingual and communication with families is a strength. The school Parent Coordinator supports parent participation by updating school announcements on the website, ParentSquare, mailings and the posting of notices and information on the campus. Teachers regularly communicate with parents and post participation opportunities on ParentSquare. Families will be responsible to support students in their learning by:

- Monitoring attendance,
- Making sure that homework is completed.
- Monitoring the amount of television their children watch.
- Volunteering in the child's classroom.
- Participating, as appropriate, in decisions relating to the child's education.
- Promoting positive use of the child's extracurricular time.
- Staying informed about the child's education and communicating with the school by promptly reading all notices from the school or the school district either received by the child or by mail and responding, as appropriate.
- Attending school meetings
- Serving, to the extent possible, on school committees.

b) Address the importance of communication between teachers and parents on an ongoing basis through, at a minimum, the following: (20 U.S.C. § 6318[d][2])

1. Parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as the compact relates to the individual child's achievement. (20 U.S.C. § 6318[d][2][A])

Parent teacher conferences are held at the end of the 1st and 2nd trimester. Parents attend a student-led conference at the end of the school year.

2. Frequent reports to parents on their children's progress. (20 U.S.C. § 6318[d][2][B])

The school provides parent's copies of state assessment results. Parents are informed of student progress through parent-teacher conferences and the report card each trimester with more frequent reporting for those students not meeting grade level expectations.

3. Reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities. (20 U.S.C. § 6318[d][2][C])

Parents can communicate with all staff via email or phone. Parents can communicate with teachers at any time via ParentSquare. Teachers are available 30 minutes before and after the school day. The school office is open during the school year from 7:30 to 4:30. The principal is available to meet with parents by appointment. Parent volunteers are welcome in classrooms as arranged with the teacher.

4. Ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand. (20 U.S.C. § 6318[d][2][D])

Adelante works to ensure that students and parents are actively engaged in our school. Effective communication with families is vital. We will communicate frequently and openly with our families using, but not limited to, the following means:

- As a dual language program we are fortunate to have a bilingual staff where all classroom teachers are able to communicate with families in Spanish and English. All communication sent out via Parent Square is in both Spanish and English. Board meetings are conducted in both languages with simultaneous interpretation provided to anyone who is not bilingual.
- Monthly Café con el Director take place in the morning as a time for families to connect with the director and hear about what is happening at the school as well as ask questions or raise concerns.
- Teachers communicate regularly with families via Parent Square and Parent teacher conferences that take place three times a year at each marking period, with the last conference being student-led. • Monthly newsletters are sent to all families highlighting teaching and learning at each grade level in Spanish and English.
- Simultaneous interpretation for in-person gatherings and translation of key planning documents and executive summaries

**It may be helpful to include the parent and family engagement policy review in the annual review of the Local Control and Accountability Plan Federal Addendum.*

***The policy must be updated periodically to meet changing needs of parents and family members and the LEA. If the LEA has a process in place for involving parents and family members in planning and designing the school's programs, the LEA may use that process if it includes adequate representation of parents and family members of children receiving Title I, Part A services.*
