2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Located next to the Franklin Elementary School campus in Santa Barbara, Adelante Charter School is a Spanish-English immersion elementary school, where every child enters as a second language learner and graduates bilingual and biliterate. Adelante's two-way immersion (TWI) program design has been shown to be the most effective way to teach a second language to all learners. Children who are bilingual demonstrate a cognitive advantage that could last a lifetime, affecting skills related to planning, problem-solving, mental focus, and memory. Adelante implements the 90/10 two-way immersion model in which 90%

of the instructional minutes are delivered in Spanish for all students in Kindergarten and 1st grade. In 2nd through 4th grades, instructional time in English increases slightly each year until students reach 5th and 6th grades where Spanish and English are used equally, 50/50. Within this language and culture-rich environment, Adelante implements an outstanding academic program with an emphasis on science, math, technology, and the arts.

The mission of Adelante Charter School is to develop bi-literate, multicultural students whose strong academic and cultural foundations prepare them to meaningfully participate and provide leadership in their families, their community and their world to create a more just and equitable society.

Vision: Adelante Charter School strives to be a model dual-immersion school, recognized at the local and state levels for its outstanding academic program led by a passionate and talented staff, strong parental and community involvement, sound financial resources, and a committed board of directors.

Values: Adelante Charter School has adopted the core values of César E. Chávez as they pertain to creating a socially just community: service to others, sacrifice, a preference to help the most needy, determination, non-violence, acceptance, respect for life and the environment, community, knowledge, and innovation.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Year and month in which the data were collected		1/23	
Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	All students have access to Common Core State standards-aligned instructional materials for literacy. Students receive reading/language arts instruction in Spanish K-2 and Spanish and English grades 3-6. In Kinder, teachers use Estrellita and		0

	Coquito to teach Spanish foundational skills using the syllabic method; grades K-2 use Canciones y Cuentos from National Geographic Learning/Cengage to support early literacy/ foundational literacy skills. Okapi-leveled texts are also provided for small-group reading instruction in all classrooms. Benchmark Education's Sound Spelling Transfer kit is used as students transition to reading in English to address explicit instruction in the foundational skills in English that are non-transferable from Spanish. Grades 3-6 use core literature, literature-based language arts modules from EL Education, and content-based informational texts in Spanish and English. Across all grades, close attention is given to authentic and meaningful opportunities for reading, writing, listening, and speaking.		
Mathematics	All students have Common Core State standards-aligned instructional materials for mathematics. Adelante teachers use Illustrative Math K-6. This is supplemented when appropriate with Contexts for Learning Mathematics units. Mathematics instruction occurs in Spanish K-6, with many opportunities for cross-language transfer and bridging languages. Adelante supports a problem-based approach to teaching and learning math, where students learn problem-solving skills and develop deep conceptual understanding.		0
Science	All students have NGSS-aligned instructional materials for science (FOSS Next Gen K-5, GEMS and FOSS 6th). Teachers also incorporate the Engineering is Elementary Units to support the NGSS/Engineering standards.		0
History-Social Science	All students have standards-aligned instructional materials for history-social science. Many of the Social Studies standards are addressed through teacher-created GLAD (Guided Language Acquisition Design) Units with a lens of equity and social justice. The curriculum is built around current social, cultural and historical themes. ELD - Integrated and Designated ELD is taught through the content of social studies.		0
Foreign Language	As a dual-language program, all students are supported with appropriate instructional materials to develop biliteracy in Spanish and English.		0
Health	Health education is integrated into our physical education and dance classes and nutrition is addressed through science units and our garden experiences. Additionally, teachers invite guest speakers to promote healthy living, healthy eating and healthy mindsets. Relevant, authentic and meaningful experiences are the essence of the work that Adelante offers to all students. 6th grade students participate in a program with Comunify focused on reproductive health.		0
Visual and Performing Arts	All students receive visual and performing arts instruction weekly -Art, Music and Dance instruction. Additionally, students are provided opportunities to perform and showcase their talents at performances throughout the year.		0

School Facility Conditions and Planned Improvements

Adelante Charter School facilities are rented from our charter authorizer, Santa Barbara Unified. Maintenance and repair are done by district staff and reflected in SB Unified's FIT report. Limited green space continues to be an ongoing concern, yet we are grateful for the additional space we received at the beginning of the 22-23 school year when we moved our office and other services into the previous preschool portable buildings.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parent engagement is a signature strength of the Adelante Charter School program. Our philosophy affirms the vital role that parents play in the success of their child's education and the success of the school. Parents are seen as essential partners with the school, involved in every aspect including school governance. Research shows that when parents become involved in school activities, children's general school behavior improves (Levenstien, 1974), academic achievement increases (Walberg, 1984; Cummins, 1986), achievement gains are sustained (Goodson & Hess, 1975), and language performance improves significantly (Bermudez, 1988). Epstein, of John Hopkins, found that family involvement in a child's education has a higher correlation with academic success than any other factor external to the school, including the educational status and socio-economic status of the family. Student performance is improved when parents are knowledgeable about the school and its programs, have timely information about their child's performance, frequently interact with the teachers, and are able to support their child at home. To this end, parent participation in Adelante programs and activities is strongly encouraged.

This year we were able to resume opportunities for families to volunteer again on campus during instruction and help with field trips and celebrations.

Currently the Parent, Teacher, Staff Organization (PTSO) is supporting fundraising efforts and family engagement. Additionally, there have been small focus groups to address the needs of our most vulnerable students and families. School Site Council (SSC) and Emergent Bilingual Advisory Council (EBAC) are also opportunities for parent leadership and involvement. For more information please contact Susie Ramirez in the Adelante office (805) 966-7392.

Additional opportunities for involvement include: Back to School Night, Parent-teacher conferences, Café con el director, Board Meetings, LCAP input meetings, Surveys: California School Parent Survey, LCAP Survey, Adelante School Effectiveness Survey, Student performances and family celebrations.

2023-24 School Safety Plan

The plan was reviewed and updated by the Adelante Safety Planning Committee during the Winter of 2024, reviewed and adopted by Adelante's School Site Council on January 16, 2024, and later Approved by Adelante Charter Board of Directors on February 5, 2024.

Since the 2018-19 school year, Adelante has adopted the Standard Response Protocol(SRP), and all SB Unified schools, including Adelante, now have uniform protocols to respond to school site emergencies or incidents affecting student safety. This protocol also allows for a clear and coordinated response from emergency personnel and law enforcement. The plan also includes the updated Safe In-Person Instruction COVID-19 Safety Plan.

Fiscal Year 2022-23 Types of Services Funded

Funding allows for improved opportunities to provide a well-rounded education to our students. Our most vulnerable students benefit tremendously from this funding in following ways:

- Improved progress monitoring in literacy development in both Spanish and English. (Star 360)
- Increased support through reading tutors and additional instructional assistant time in grades K-3.
- Intervention team trained for early identification and support for students who manifest signs of dyslexia or reading difficulty.
- Attention to equity and social justice as a lens for all instruction.
- Education focused on the whole child with music, dance, Physical education and art classes weekly. This provides embedded planning time for teachers.
- Support parent involvement/empowerment and improved communication and support as students progress through the Adelante program and transition into secondary schools.
- High quality job-embedded professional development for teachers in literacy and ELD.

Adelante Charter School also has partnerships with different organizations that provide programs and services:
